National Habitat Conservation Plan Coalition's

ANNUAL MEETING

virtual! free! 2020

**NOVEMBER
17 & 18**

10 AM - 2 PM PST

**KEYNOTE
SPEAKERS**

**Bruce Babbitt
Dr. Mamie Parker**

The annual meeting brings together HCP practitioners from across the country, including federal, state, and local agency staff, consultants, stakeholders, policy experts, and scientists.

TOPICS INCLUDE

- Updates from USFWS Headquarters
- Communicating and tracking HCP success
- Agriculture's role in conservation
- Monitoring species' response to management actions
- Impacts of COVID/pandemic policies on HCP implementation
- Management of groundwater-dependent ecosystems for species
- Permit integration (aligning ESA, 404, NEPA, NOAA for streamlined permitting processes)
- Lessons learned from HCP planning and implementation
